The Assistant Superintendent, Human Resources and District Administrator, Human Resources spoke to the Human Resources Update as included in the agenda package, with the following highlights:

- Settlement Agreement with RTA on CEF staffing allocation
- Shared Health and Safety Training

The President, Richmond Teachers' Association emphasized the importance of CEF staffing allocations under the Settlement Agreement. The Chairperson expressed her appreciation for the collaborative approach between RTA and HR team to support staff and learning environments.

In response to trustees' questions, the Assistant Superintendent shared examples of health and safety concerns of staff in the workplace. Additionally, he provided information on health and safety training for school administrators to support staff involved in workplace safety incidents.

The Director of Instruction, Student Services & Data Analytics and Manager, Feeding Futures, presented an update on the Feeding Futures Program, including learnings and challenges of schools in the implementation of the program.

In response to trustees' questions, the Director of Instruction, Student Services & Data Analytics explained the criteria used for determining school allocations and how students receive support from community partners during school breaks. The Manager, Feeding Futures also mentioned that data from the Ministry is available to assess the program's success in the district.

The President, Richmond Teachers' Association inquired on community supports available for students during summer break. The Chairperson expressed her concern about the sustainability of the Feeding Futures program.

The Director of Instruction, Student Services & Data Analytics spoke to his report as included in the agenda package. He then responded to trustees' questions on allocation of the fund balance for next school year, feedback from recipients, and plans in place to sustain this support in the long term.

The meeting adjourned at 10:55 am.
